A Public Hearing on the creation of Willacy County Reinvestment Zone Number Six

A Public Hearing pursuant to Tex. Tax Code Section 312.207(d)- Soluna KK1 ComputeCo, LLC has applied for an abatement within Willacy County Reinvestment Zone Number Six for the required assets of an operational 83 MW Wind Project data center, including building foundations, building structures and appurtenances, electrical transformers, electrical cabling, data cabling, data transmission equipment, computer servers, computer server racks and related equipment. The company would invest approximately \$80 million, with projected completion by December 2027.
