The Texas Department of Transportation (TxDOT) Pharr District is proposing to reconstruct and widen State Loop (SL) 499 from Farm-to-Market (FM) 106 to Interstate Highway (IH) 69E in Cameron County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. The virtual meeting will consist of a pre-recorded video presentation and include both audio and visual components.

The virtual public meeting and in-person option will be conducted in English and Spanish. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Norma Robledo, Public Involvement Specialist, TxDOT Pharr District Office, at 956-702-6161 no later than 4 p.m. CT, Thursday, Sept. 4, 2025. Please be aware that advance notice is required as some services and accommodations may require time for the TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Pharr District Office, 600 W. Interstate 2, Pharr, TX 78577. Written comments may also be submitted by email to Cynthia.Gonzales@txdot.gov. All comments must be received on or before Wednesday, Sept. 24, 2025. Responses to comments received will be available online at www.txdot.gov and search keyword "SL 499" once they have been prepared.
