

Aspire Fertility

Will transition our McAllen patients to fully remote, telehealth-based care October 31, 2025. The last day patients will be seen in person at the McAllen location will be October 17, 2025. All future visits will occur in our San Antonio offices. Your medical records will remain securely on file with Aspire Fertility. If you wish to obtain a copy of your medical records, please call (210) 337-8453. Aspire Fertility looks forward to caring for our McAllen patients via telemedicine and in our San Antonio offices.
