

TO ALL INTERESTED PERSONS AND PARTIES:

TransMontaigne Operating Company L.P. has applied to the Texas Commission on Environmental Quality (TCEQ) for renewal of Air Quality Permit No. 22440, which would authorize continued operation of a bulk liquids storage terminal located at 8700 State Highway 48, Brownsville, Cameron County, Texas 78521. Additional information concerning this application is contained in the public notice section of this newspaper.
