

REQUEST FOR COMPETITIVE SEALED PROPOSALS

Santa Rosa Independent School District

Santa Rosa ISD is soliciting Competitive Sealed Proposals for the **Intercom System and Fire Alarm System Upgrade Project at Multiple Buildings**. Proposals are due **April 07, 2026, at 3:00PM CST** via email to gquin@ethoseng.net with a copy to evillarreal@pmsitx.com. Late proposals will not be accepted. Proposals will be read aloud immediately after the deadline.

A Pre-Proposal Conference will be held. Details in bid documents. Attendance is encouraged.

Project Location: 102 Jesus R. Cruz, Santa Rosa, TX 78593.

Plans & Specifications will be available starting March 20, 2026, from Ethos Engineering by emailing Guillermo Quintanilla, Principal, at gquin@ethoseng.net and copying imelda@ethoseng.net. Plan questions can be sent to these contacts.

The project includes Intercom System Upgrades and Fire Alarm System upgrades and associated electrical work for the following SRISD facilities: Santa Rosa High School, Jo Nelson Middle School, Chepe Gym, Middle School Weight Room, De La Fuente Locker Room, High School Locker Room, High School Gymnasium, CTE Building, Fine Arts and Cafeteria Building, Ag Building, and Hog Barn. **Estimated construction cost: \$650,000.**

Santa Rosa ISD reserves the right to reject any/all submittals, to waive technicalities, to re-advertise or to proceed in the best interest of the District.
