The Texas Department of Transportation (TxDOT) Pharr District is conducting a feasibility study for the SL 195 Extension and Connector between the areas of Rio Grande City and Edinburg in Starr and Hidalgo counties. This study is part of TxDOT's initial planning efforts to further extend SL 195 east in the Rio Grande Valley and complete the SL 195 Roma-Rio Grande City Relief Route. No formal presentation is planned. Community members are invited to come and go at their convenience.

The virtual public meeting and in-person option will be conducted in English and Spanish. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact Norma Robledo, Public Involvement Specialist, TxDOT Pharr District Office, at 956-702-6161 no later than 4 p.m. CT, Friday, Dec. 5, 2025. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.
